Summer Program 2021

As the school year is nearing the end, our focus now shifts toward the Upward Bound summer program. Thankfully, we will be back in-person this summer!

So what should students expect? This summer, you will see some new faces in Upward Bound. We have created some new summer mentor positions. The mentors will be assisting the regular Upward Bound staff and will be working directly with students to make sure students stay on track and offer support and guidance as needed.

This summer, core and elective classes will be held Monday-Thursday, on Fridays we will be going on field trips, having committee meetings, volunteering, and much more! Elective classes will meet every day, Monday-Thursday, which is a little different than in past years.

Breakfast and lunch will be served in the Cardinal's Nest in the field house rather than North College Center. There will be three lunch shifts instead of just one.

These are just a few of the exciting ways UB is changing! We are looking forward to seeing everyone back on campus this summer!

The mission of Upward Bound at Mineral Area College is to serve eligible high school students by providing academic enrichment, cultural experiences, and a support network to ensure their success in attaining a four year college degree.

A Federally Funded Program

The Mineral Area College Upward Bound I program is a TRIO program funded with a five-year, \$1,757,932 grant from the U.S. Department of Education. This represents 100% of the program cost. The indirect cost rate agreement is 8% of which 25% is returned to support the program.

The Mineral Area College Upward Bound II program is a TRIO program funded with a five-year, \$1,531,715 grant from the U.S. Department of Education. This represents 100% of the program cost. The indirect cost rate agreement is 8% of which 25% is returned to support the program.

Upward Bound is one of five programs established by Congress to help low-income, first-generation students enter college and graduate. These programs are referred to as the TRIO programs.
