1.00 DISTRICTING OF THE COLLEGE DISTRICT

Pursuant to 178.820 RSMo the Mineral Area College District shall be divided into two (2) sub-districts each composed of contiguous territory of substantially equal populations.

The two (2) sub-districts will be determined by a redistricting committee composed of six (6) residents of the Community College District: three (3) appointed by the Board of Trustees and three (3) by the Coordinating Board for Higher Education.

The President and Board of Trustees of the College will review census data as it is issued to determine if redistricting will be required to maintain substantially equal populations in the two (2) contiguous districts. If so, procedures specified in 178.820 RSMo will be followed to bring the sub-districts into compliance.

Each of the Trustees representing the two (2) sub-districts shall be voted on and elected by qualified voters of the sub-district in which the Trustee resides and which the Trustee represents.

All Trustees shall live in the sub-district he/she represents. Trustees who move out of the sub-district or the district to which they were elected are disqualified from holding office.

1.01 TIME AND METHOD OF ELECTION

The time and method of election of Trustees shall be in accordance with the sub-districting plan approved by the Coordinating Board for Higher Education and by the Comprehensive Election Laws. Trustee elections will be held in odd numbered years on the first Tuesday in April as provided by law (Revised Statutes of Missouri).

Two Trustees will be elected at each biannual election for terms of six years. Candidates for the office of Trustee shall be citizens of the United States, at least twenty-one (21) years of age who have been voters of the district for at least one (1) whole year preceding the election, and, they shall be voters of the sub-

1.03 VACANCY - HOW FILLED

In the case of a vacancy occurring in the membership of the Board of Trustees from any cause, including moving out of a sub-district from which the member was duly elected, it shall be the duty of the Secretary to certify such fact to the Board and to each remaining member thereof. After such certification and public notice, the Trustees, at a regular or special meeting, shall nominate and appoint a successor Trustee after ascertaining the qualifications of possible appointees to serve until the next election held by or for the district when a Trustee shall be elected for the unexpired term. Upon appointment by the Board, the Secretary shall issue a certificate of appointment to the newly appointed Trustee. When a person becomes a member of the Board of Trustees by appointment, the new member shall be seated at the next regular meeting after said appointment and after having taken the prescribed oath of office (Revised Statutes of Missouri).

ORGANIZATION OF THE BOARD

1.10 OATH

All members of the Board of Trustees shall be required to take and subscribe to an oath of office in the following form:

(178.830 RSMo, citing Article VII, Sec. 11 of Missouri Constitution)

1.11 ASSUMING OFFICE

At the first meeting of the Board of Trustees after the election of a member or members of the Board of Trustees has been certified, said member or members so elected and certified shall present themselves for the purpose of being seated. The oath need not be taken at a regular or special Board meeting and can be taken any time after a Board member has been appointed or elected. If the oath of office has not already been taken, the newly elected member or members shall then swear (or affirm) the prescribed oath before a competent official. A new member shall file his oath with the Secretary of the Board. The President of the Board of Trustees shall thereupon recognize the person as member of the Board of Trustees, and he/she shall thenceforth be entitled and qualified to perform the

If access to a records request is not permitted, a request can be made to the Custodian for a written explanation for the basis of the denial. The Custodian will, before the end of the third business day following the request for explanation, provide a written statement to support the request denial and reference the specific provision of the law authorizing the denial of access to the records.
6. Any student records should be requested through the Registrar's office.

1.20 REGULAR MEETINGS

The Board of Trustees shall meet on the College campus or at an alternate location selected by the President of the Board, in regular session on a date and at a time designated by the Board. 1.29 ROLE AND RELATIONSHIP BETWEEN THE BOARD OF TRUSTEES AND THE CHIEF EXECUTIVE OFFICER

The policy of the Board of Trustees is to recognize and maintain the distinction between those activities which are appropriate to the Board as the sole statutory legislative governing body of the district and those administrative functions and duties which are to be performed by the chief executive officer and the officer's staff.

In that regard, the Board views the legislative authority that is vested within itself as a body of the whole rather than as individuals acting unilaterally.

Based upon the premise of mutual respect and trust, the Board encourages a shared governance relationship that is characterized by open, honest, two-way flow of continuous communications based upon accurate, reliable information resulting from thorough study and analysis. In that regard, the Board looks toward the chief executive officer to provide recommendations, suggestions, and options relating to both short- and long-term goals and objectives of the district. In addition, the Board looks toward the chief executive officer to provide recommendations in a routine and timely manner that would allow the Board an adequate period of deliberation which would ultimately result in the adoption of policies that would enhance the well being of the overall district.

The Board recognizes that if the chief executive officer is to be strong and responsible for the prudent management of the district and its resources, likewise, the Board must also be strong, fully informed, and cognizant of its role. In that regard, the Board recognizes its responsibility to be fully supportive of the chief executive officer by granting full authority to carry out and implement the administration of the district in accordance with those policies adopted by the

ARTICLE I - THE BOARD OF TRUSTEES

Board.

The Board will maintain an understanding and respect for the delineation of policy versus administration and will maintain a self discipline that will avoid direct interference into the administrative functions of the district. The Board will
