

# COURSE SYLLABUS

**Due by June 1, 2010**

**Course Name:** Choral Music

**Instructor:** Ruth Ann Foot

## Course Description:

The choral musician will learn pieces of music to be performed at the awards ceremony. There will be study of choral techniques, vocal techniques, and sight reading.

## Course Objectives:

Individual music growth:

The student will develop tools that will equip him/her to experience good choral music. The student will develop techniques for the individual voice in a group situation along with effective ways of improving reading skills.

## Expectations of Students:

Students should approach the class with a positive attitude toward improving their vocal and choral techniques as well as contributing to the choir and assisting others in the group toward a common goal.

## Student Evaluation:

Students will have written examinations as well as oral evaluations.
