Occupational Safety, Health and Environmental Technology

Mineral Area College and Eastern Iowa Community College have entered into an agreement to make the Associate of Applied Science Degree in Health Safety and Environmental Technology available at Mineral Area College. Students will complete technical courses through Eastern Iowa College’s web based program, and general education requirements will be completed at Mineral Area College.

This cooperative degree offers students the opportunity to complete most course work from home, or they may utilize a computer lab at Mineral Area College. Interested students may contact the Dean of Career and Technical Education at (573) 518-2157 to obtain a degree plan which outlines the required course work for this program.
