Date of completion of Respiratory Therapy Program at CGCTC: _____

(Eligibility for Associate of Science Degree is limited to the completion of all degree and graduation requirements prior to the end of the fifth academic year after successful completion of the CGCTC Respiratory Therapy Program.)

- After successful completion of the above general education courses AND successful completion of the CGCTC Respiratory Therapy Program, a student may apply for an Associate of Science Degree from Mineral Area College.
- An “Application for Graduation” form must be submitted during the first two (2) weeks of the final semester.
- An Exit Exam is required for all degree recipients.
- A Graduation Interview with the MAC Career Placement Office is required for all Career and Technical Division Associate Degree recipients.
- Students must have a minimum of 15 credit hours of required general education courses completed through the Consortium institutions (MAC, SEMO, TRCC).

▲ This course is required prior to admission into the CGCTC Respiratory Therapy Program.

● This course may be waived with recommendation from the Director of the CGCTC Respiratory Therapy Program.

* Course has pre-requisite(s). Refer to the college catalog for pre-requisite information.
