

# A LETTER FROM THE PRESIDENT

## WELCOME TO MAC.

We're honored. You had a choice, and you chose us. We take our mission seriously to give you the high-quality, affordable education you deserve.

The academic year gets busy, so it's a good thing you're picking up this planner. Inside you'll find your Student Handbook, which is full of important policies, information and schedules to which you can refer throughout the year.

You'll also find tools and exercises offered by the company who publishes our handbook and planner. These help you prepare for the year, help you figure out what your short-term and long-term goals are and give you inspiration and wisdom. It's a guide for personal success that can maximize your educational experience.

Monthly overviews and weekly breakdowns of the academic year provide more details about what's happening on the MAC campus in terms of academic and cultural events, deadlines and opportunities for extracurricular activities.

As quickly as time passes here at the college, this planner will be a great tool to keep you on track during 2016-17. Best wishes for a successful academic year. Thanks again for choosing MAC.

— Dr. Steven J. Kurtz, President

## ABOUT THE COLLEGE

MAC, formerly Flat River Junior College (est. 1922), was founded by election in 1965 as a district community college.

Located in a semi-rural area, MAC serves a diverse student population. This public institution of more than 3,500 students meets the needs of individuals enrolled in developmental, academic/transfer, career/technical and continuing education courses and programs.

The college offers a wide variety of student support services that enhance the learning environment. In addition to serving students on campus and at five outreach centers, the college reaches a large number of individuals in the community through business development and customized training.

Furthermore, the college recruits and retains a highly competent faculty dedicated to providing an academic atmosphere that is both challenging and supportive.

Finally, MAC is committed to a proactive policy of non-discrimination for all people.

## MISSION STATEMENT

The mission of MAC is to serve the community, to provide students a quality, affordable education and to offer opportunities for professional and personal development in a safe, professional environment.

## MAC POLICY OF NON-DISCRIMINATION

Applicants for admission and employment, students, parents, employees, sources of referral of applicants for admission and employment and all unions or professional organizations holding collective bargaining or professional agreements with MAC are hereby notified that this institution does not discriminate on the basis of sex, race, color, religion, national origin, ancestry, age, disability, marital status, veteran status, genetic information or sexual orientation in admission/access to, or treatment/employment in its programs and activities.

Any person having inquiries concerning MAC's compliance with the regulations implementing Title VI of the Civil Rights Act of 1962, Title IX of the Education Amendment of 1972, Section 504 of the Rehabilitation Act of 1973, Age Discrimination Act of 1975, and the Americans with Disabilities Act (ADA) of 1990 is directed to contact the Human Resources Director, Title VI, Title IX, Section 504 and ADA Coordinator, MAC, P.O. Box 1000, Park Hills, MO 63601-1000, (573) 518-2378, who has been designated to coordinate the college's efforts to comply with the regulations implementing Title VI, Title IX, Section 504 and the Americans with Disabilities Act.

Any person may also contact the Assistant Secretary for Civil Rights, U.S. Department of Education, regarding the institution's compliance with regulations implementing Title VI, Title IX, or Section 504, or the Americans with Disabilities Act.

## DISCLAIMER

Information herein is subject to change without notice. For more policy information, refer to MAC's course catalog or [www.MineralArea.edu](http://www.MineralArea.edu).

## MAC SERVICES

### ACCESS OFFICE

The Access Office provides accommodations and services for students diagnosed with a disability including, but not limited to: physical, visual, hearing, health, learning and psychiatric disabilities. For accommodations to be in place at the beginning of a semester, students should contact the Access Office in advance to discuss potential eligibility, the process for accessing disability services and to schedule an appointment to complete program forms. Students need to be willing to self-disclose a disability and provide documentation of that disability. Accommodations are provided for equal access to programs and services at the college. Examples of accommodations include classroom adaptations, alternate testing methods, alternate text formats, volunteer note-takers, accessible parking, test readers/scribes and sign language interpreters.

Potential students requesting accommodations in their courses are encouraged to contact the director of the Access Office, (573) 518-2152, before registering for courses. Early contact before the beginning of a semester is encouraged, since some accommodations may require additional time to be put in place. More information regarding the Access Office can be found at [www.MineralArea.edu](http://www.MineralArea.edu).

## ACADEMIC ADVISING

Academic advising is faculty-based and coordinated by the registrar. Students are assigned a faculty advisor based on their field of study. Advisor and/or major changes may be requested online or in Student Services. Advising is a joint responsibility of advisors and students. Students are expected to read and conform to regulations in the catalog. Students are also responsible for knowing the regulations and policies and for meeting the requirements for a degree or certificate. Advisors guide the student toward accepting responsibility for academic decision-making.

## ASSESSMENT

**Placement Tests** - The preferred placement test at MAC is the ACT, administered in September, October, December, February, April and June each year. MAC also offers the Accuplacer test for students unable to complete the ACT before registration. Accuplacer is an untimed exam taken on the computer. It is user-friendly and designed to measure current skills in reading, writing and math; the results are used to select appropriate levels of English, math and reading courses. Students may take Accuplacer more than once and they may take the entire battery or any of the three subject area tests. The fee for three subjects is \$20, two subjects is \$15 and any single test is \$10.

**Exit Examination** – The Exit Exam (Proficiency Profile) is administered to all Arts & Sciences degree-seeking graduates of MAC. The Career & Technical Degree and Certificate graduates are given the WorkKeys Career Readiness Assessment as their Exit Exam. They must also complete a technical skills assessment unless their program requires a licensure examination in their career program. This is a requirement that must be completed before graduation. There are no fees for these tests. More information is available on MyMAC under the Testing tab.

**HiSET**— Missouri's high school equivalency test is the HiSET, developed by Educational Testing Service (ETS). The cost of the next test will be \$95, which includes a \$60 registration fee and \$7 for each of the five test sections. Because examinees do not have to complete the entire test at one time, they can take the test in sections. The \$60 registration fee will allow individuals to test three times during a 12-month period. Examinees that do not pass the test the first time can retake the entire test or any of the test sections two more times within the 12-month period by paying an additional \$7-per-section fee. Create an account and register for testing at [www.hse.mo.gov](http://www.hse.mo.gov)

2017: Jan. 27, Feb. 25, March 18, April 22, May 20, June 17, July 15.

All test dates are Saturdays beginning at 8 a.m. All tests will be given in room AS115.

**CERTIFICATION TESTING** – MAC is an authorized testing center for professional and technology certification through Pearson Vue, Castle Worldwide, ISO-Quality Testing, NOCTI, WorkKeys and ISCET testing services. Fees and testing times are dependent on the type of certification testing.

**PROCTORING DISTANCE ED COURSE TESTS** – MAC provides proctoring for course examinations through Distance Education courses for various universities by arrangement for a fee of \$15 per hour.

**SCHEDULING TESTS** – To schedule testing, student should go to the “Testing Tab” in MyMAC, or contact Mike Easter, director of assessment at (573) 518-2188, or mreaster@MineralArea.edu or Tippi Seals at (573) 518-2202, or aseals@MineralArea.edu.

## BOOKSTORE

The MAC Bookstore is a convenient campus source for academically-priced computer software, computer reference titles, collegiate reference titles, new releases, children’s books, MAC imprinted clothing and merchandise, and gifts for all occasions and seasons. The bookstore also offers a complete line of school supplies, study materials, cards, and backpacks. The store can generally get any U.S. book in print, and will special-order any book.

**Textbook Refunds:** In the event you need to return a textbook to the bookstore, please follow these guidelines for a refund: Keep your receipt. It is required for a refund. Do not write in your textbook until you are sure you will keep it. New books must be in the same condition as when purchased. Used books must be in resalable condition. For the fall/spring terms, you may return your books within five days from the first day of classes or two days purchased thereafter. For the summer term, books must be returned within five days from the first day of classes or two days purchased thereafter. The bookstore will buy back textbooks at current market value during finals week.

**Bookstore Hours:** Monday-Thursday, 7:30 a.m.-7 p.m.; Fridays, 7:30 a.m.-3 p.m.

## COLLEGE AND CAREER CONSULTING FOR REGION V AREA

**Displaced Homemakers:** Science, technology, engineering, and math career awareness, along with nontraditional (by gender) career awareness and awards program. Fee waivers are offered to displaced homemakers (one who has lost his/her main source of income because of divorce, separation, death or disability of a spouse; long-term family income below poverty level; loss of eligibility of public assistance; and someone who has not been employed on a full-time basis for at least three years). For information, contact (573) 518-2255.

## CAMPUS HOUSING

College Park Apartments offer affordable, convenient, on-campus housing for up to 208 students. The 8-acre complex features two-bedroom, two-bath units; and four-bedroom, two-bath units. All apartments are furnished and include kitchenettes. The complex has a central laundry facility, a computer lab with six computer stations, a picnic pavilion with barbecue grills, a pool, and a sand volleyball court. The on-campus café offers a choice of 12 or 15 meals-per-week plans for residents. For more information, contact College Park Housing at (573) 518-1330, or collegepark@MineralArea.edu.

## CARDINALS NEST

The Cardinals Nest cafeteria is a good place for relaxing with friends and faculty members, and provides a wide variety of food. Students can also sign up for several different meal plans, including a commuter student plan. Please check the MAC website for more information.

## CAREER SERVICES

The Career Services Department already has numerous business contacts established throughout the region with top employers which helps students and alumni with internships, finding employment and constructing a competitive resume and interviewing techniques. The office is located in T2 in the Technology building; for more information, call (573) 518-3848 or email [tskaggs@MineralArea.edu](mailto:tskaggs@MineralArea.edu)

## CAREER PLANNING

Career Planning offers a broad range of services to help students and community members, including providing resources and the tools needed to research career paths and college majors that match interests, abilities and workplace values. Other services include resume development and review, interview preparation, job search, college transfer information and professional career advising.

## COUNSELING (PERSONAL)

Personal issues may be discussed confidentially with a certified counselor in the Student Services Office. Talk with a counselor any time about any problem or concern relating to school, home or work that may impact your life.

Evening counseling hours are also available 4-6:30 p.m. Monday and Wednesday during the fall and spring semesters, and 3-5:30 p.m. Monday and Wednesday during the summer semester. Day and evening appointments can be made by calling (573) 518-2202, or feel free to drop by the Student Services Office at your convenience.

## COURSE ADVISEMENT

Students make important decisions during their college years. Advisors help students identify problems and obtain relevant information necessary to making their own decisions. The decisions you make in college will influence the rest of your life, and you can increase your chances of avoiding disappointment later if you plan your future now.

Advisors can interpret the results of your placement tests and help you select your course schedule. Appointments can be made at the receptionist’s desk in Student Services.

Student Services also offers expanded services for evening students. An advisor will be available for student appointments and drop in sessions from 4-6:30 p.m. Monday and Wednesday during the fall and spring semesters, and 3-5:30 p.m. Monday and Wednesday during the summer semester.

You may call for an appointment at (573) 518-2202 or (573) 518-2211, or drop by Student Services.

### **C.H. COZEAN LIBRARY**

The library provides students with information, services and materials. Staff members help students locate information, develop search strategies for papers and speeches and learn how to use the library and the Internet for research.

The library has over 30,000 volumes in its collection including books, e-books, selected popular fiction and nonfiction books, magazines and journals, as well as DVDs and music CDs. Books that are not available in MAC's collection may be requested through the MOBIUS catalog from academic and public libraries in Missouri and other states (only books and government documents may be requested).

The library's online databases provide access to full-text magazine, journal and newspaper articles. Visit [www.MineralArea.edu/library](http://www.MineralArea.edu/library) for detailed information.

A current-semester student I.D. card is required when checking out material. Books and MOBIUS items may be checked out for four weeks. Magazines and journals, DVDs and CDs may be checked out for one week. Renewals are usually permitted unless there is a waiting list for an item. Materials must be returned on or before the due date to avoid a fine. Patrons with billed materials may be blocked from further check out of materials and may not be able to register for classes or receive grades or transcripts. There is a charge of 10 cents per day on items in the Library collection excluding reserve materials. If an item is lost, the patron must pay the price of the item plus a \$20 processing fee. Please check the Library's web page for current library hours.

### **E-MAIL, COMPUTER SYSTEMS, NETWORK ACCEPTABLE USE POLICY**

E-mail is the primary means for official communication at MAC. Official college e-mail accounts are activated upon students' acceptance for admission. The college has the right to expect that such communications will be received and read in a timely fashion. Students are expected to check their e-mail on a frequent and consistent basis in order to stay current with college-related communications. Everyone holds the responsibility to recognize that certain communications may be time-critical. Official e-mail communications are intended only to meet the academic, student activities and administrative needs of the campus community. Your e-mail account, as well as your access to and use of computers and equipment, is a privilege that may be revoked for failure to abide by any of the policies and guidelines set forth in this agreement. By continued use, you are acknowledging your responsibility for the proper use of your account and agreeing to adhere to all policies specified herein.

A copy of the entire acceptable use policy is available on line at [www.MineralArea.edu](http://www.MineralArea.edu), General Information, MAC I.T. Department.

### **HEALTH SERVICES**

The college does not provide health services. Health needs should be addressed to a private physician or the public health center. Emergency needs can be met by calling 911. Students with disabilities and unique health concerns should contact the ACCESS Office, (573) 518-2152, for special services.

### **LACTATION ROOM**

A private room is available for students and staff in need of lactation services. The room is located in the Allied Health Department, and is available from 8 a.m. until 4 p.m. Monday through Friday. A refrigerator is also available if needed.

### **LEARNING CENTER**

The Learning Centers offer module courses that emphasize college readiness in writing and mathematics. Additionally, the lab environments provide tutoring in a number of areas, emphasizing written communication skills, mathematics (Arithmetic Skills through Calculus I), and both biological and physical sciences.

### **PARKING**

Any student or campus visitor may park in any of the lettered student parking lots, marked as lots A through G. A complete list of information related to parking, traffic offenses, and fines is listed in the Campus Parking Rules and Regulations pamphlet, last updated in February 2010. A pamphlet is available at [www.MineralArea.edu](http://www.MineralArea.edu).

Special permits are available for people with disabilities who require accessible parking. Questions about the permits should be directed to the Access Office located in room AS 117. You may also contact the Access Office at (573) 518-2152.

### **QUARRY POND**

The quarry pond, located north of the MAC Baseball Field, is open to the public for fishing. A fishing license is required for those younger than 65. The pond is handicapped accessible and has restroom facilities. The pond is open: 7 a.m.-noon, Tuesday, Thursday and Sunday; 3 p.m.-Dusk, Monday, Wednesday, Friday, and Saturday. There is no fishing when a red flag is posted.

### **STUDENT HEALTH 101**

Every month, MAC brings "Student Health 101" e-magazine free of charge to all students. The interactive, web-based magazine features informative articles on subjects important to all students, including both mental and physical health issues. Also, two pages of each issue are dedicated specifically to MAC activities and services available during the month. Students will be notified at their MAC e-mail addresses when the new issue is available, and will be given the web link to the magazine site.

### **TRAP & SKEET**

The trap and skeet facility hosts one skeet field with eight stations and one trap field with five stations. The trap and skeet range is open to the public April through October, Tuesdays and Thursdays from 5 p.m. – 8 p.m. and on Sundays from 2 p.m. – 6 p.m. The cost for a round varies and participants must use their own gun and ammunition. For more information or to set up a special arrangement or time, contact Jerry Whitehurst at (573) 756-1552.

## **TRIO PROGRAMS**

TRIO programs are educational outreach programs funded under Title IV of the Higher Education Act of 1965 as reauthorized in 2009. Five TRIO programs are represented on MAC's campus – four pre-college programs (two Upward Bound and two Educational Talent Search) and one college program (EXCEL/Student Support Services). The primary objective of the TRIO programs is to help qualified students overcome academic, income, and social barriers to higher education.

MAC's pre-college programs provide information, advising, academic instruction, tutoring and assistance in applying for postsecondary admission and financial aid to approximately 1,250 middle- and high-school students from 11 area school districts. EXCEL/Student Support Services assists MAC students achieve their associate degree and transfer to four-year institutions by providing tutoring and academic, financial aid, and financial literacy advising. EXCEL/Student Support Services serves 200 students.

## **MAC INFORMATION**

### **ACADEMIC INTEGRITY**

Students who engage in the act of cheating or plagiarism can be subject to the following:

When an instructor determines that academic integrity has been compromised, s/he may contact the registrar by e-mail to place an administrative hold on the student's grade to prevent the student from dropping the course. In the event the instructor determines no infraction has been committed, s/he is responsible for immediately notifying the registrar to lift the hold.

#### *Level I Violation:*

A student commits an act of plagiarism or cheating as evidenced by the instructor.

#### *Level I Consequences:*

1. The student receives a failing grade or a zero for the assignment or receives other action as determined by the instructor. The alternative consequence cannot be more severe than a failing grade or zero.
2. The instructor fills out an Academic Integrity report which is forwarded to the dean of students who then disseminates the form to the appropriate individuals.

form to the appropriate individuals.

#### *Level II Violation:*

A student repeats a dishonest act within the same course during the same semester.

#### *Level II Consequences:*

1. The student receives a failing grade for the course.
2. The instructor fills out an Academic Integrity report which is forwarded to the dean of students who then disseminates the form to the appropriate individuals.
3. The respective dean will be notified, and the student will be called in.

### **ACCIDENTS**

Motor vehicle accidents involving injury to any person or damage to unattended property must be reported to the MAC Department of Public Safety. You may reach MACDPS at (573) 518-2331. In an emergency, dial 911 (from a campus phone dial 9, then 911).

### **ADDRESS/NAME CHANGE**

Any student who has an address, telephone, or name change should immediately complete an Address/Residency Change form in the Business Office of the Arts & Sciences Building or change it online by using their student ID number in order to receive updates, information, etc. Students enrolled at outreach centers should contact the center coordinator for the Address/Residency Change form.

### **ADVISOR OR PROGRAM/FIELD OF STUDY CHANGE**

To change your advisor, email [registrar@MineralArea.edu](mailto:registrar@MineralArea.edu) or complete a form in Student Services. To change your field of study, complete the "Field of Study Change Form" on MyMAC or in Student Services. Changing your field of study may also change your advisor.

### **ALCOHOL AND DRUG ABUSE POLICY**

All members of the campus community must adhere to all applicable state and local laws and college regulations related to the sale and use of alcoholic beverages and other drugs. Information is available in the Student Services Office or on the MAC website.

### **APPLICATION FOR GRADUATION**

The application for graduation form is available in the Student Services Office of the Arts & Sciences Building, from any outreach center coordinator, or on the web. Students are responsible for applying for a degree and/or certificate. The college does not automatically award degrees or certificates.

Graduation applications and a completed degree audit signed by an advisor must be submitted to the Registrar's Office by the posted deadline for the fall, spring and summer semesters. A \$50, non-refundable processing fee is due at the time of application. A separate application must be filed for each degree or certificate whether they are earned at the same time or during different semesters. If two degrees or certificates are earned at the same time, the graduation fee for the second is \$10. If the second degree or certificate is earned in another semester, the \$50 processing fee must be paid each semester a degree is awarded.

Graduation seminars are held each semester to share information regarding the graduation ceremony, exit requirements for various programs, and the exit exam, among other topics. Students should watch for e-mails from the director of assessment regarding the seminar dates and times, which are also posted on MyMAC.

Commencement exercises are held annually in May for students completing an AA, AAT, AGS, AAS, and AS degrees. Tickets are required for all guests attending commencement exercises. Important graduation information will be shared via campus e-mail. Students must check their MAC e-mail frequently. Graduating students will receive a letter of invitation to participate in commencement exercises. Four to six weeks after the end of the term in which a student graduates, the appropriate dean's office will mail their diploma to the address provided on the Application for Graduation Candidacy.

Candidates must be measured for cap and gown in the MAC Bookstore. Dates for measurement will be posted on the web, placed in the announcements, and e-mails sent to students. The cost of the cap and gown is included in the graduation fee.

The Exit Exam (Proficiency Profile) is administered to all Arts & Sciences, degree-seeking graduates of MAC. The Career & Technical Education degree and certificate graduates are given the WorkKeys Career Readiness Assessment as their Exit Exam. They must also complete a technical skills assessment unless their program requires a licensure examination in their career program. Information regarding these tests is available in MyMAC. The director of assessment will notify students of the exam dates, which will also be posted via MyMAC.

A graduation application may be withdrawn by contacting the Registrar's Office in writing. The application may not be transferred to a future term. A student must reapply for graduation candidacy. The application fee does transfer to a future term.

Students should direct questions about graduation applications to the Registrar's Office.

## ATTENDANCE

Faculty may drop a student for excessive absences or lack of participation (web/distance learning classes). See the course syllabus for attendance requirements, which may differ by course. When a student is dropped by the instructor, an email notification with a copy of the drop form will be sent to the student's MAC email address. Please note that being dropped from a course may affect athletic eligibility, graduation, and financial aid. Check your MAC email regularly. For absences due to school-related activities such as athletic games, music engagements, field trips, etc., the appropriate dean's office will issue electronic notices to the faculty members, stating who is to be excused and for what period of time. A student cannot drop a course merely by not attending classes. The student dropped will be notified by the registrar's office via e-mail.

## AUDITING COURSES

Students may audit a course, which means they can enroll in a course and receive no credit. An "AU" grade appears on the transcript. An audit (no credit) does not count in computation of a grade point average and must be processed before the first day of the semester. Once registered, students may not change their registration status (audit vs. credit). Students auditing a course must meet course prerequisites. Audited courses do not count toward graduation requirements or satisfy prerequisite requirements for other courses. Normally, an auditor attends the course on a regular basis and is not required to take exams nor complete homework assignments. Fees are the same for audited courses and credit courses. Financial assistance does not apply to audited courses. Students receiving financial aid or veterans benefits cannot count audit courses to establish full- or part-time status.

## CAMPUS SECURITY

All first-time students are encouraged to attend the CARDS orientation, which among other topics, provides important information on public safety practices and procedures at the college. The Guide to Campus Safety is also provided to all students through the college web page, under the "public safety" tab at the top left of the web page. All students are encouraged to be familiar with the information provided in that guide.

## CAMPUS SAFETY AND THE JEANNE CLERY ACT

Campus safety and security provisions, as identified under the Jeanne Clery Act, require the publishing and distribution of annual campus crime and public safety information. Students may refer to the Guide to Campus Safety, located under the "public safety" tab on the main college web page, for detailed information on crime statistics and campus safety practices at MAC. Below is a listing of the current crime statistics for MAC, as required under the Jeanne Clery Act.

Crime Statistics: The following information is published and provided by MAC in compliance with the Jeanne Clery Disclosure of Campus Security Policy and Crime Statistics Act.

#### **CHANGES TO CLASS SCHEDULE**

Students may not add a fall or spring course after the course has met twice (once for summer terms). Students may add online and distance learning courses during the first three days of the 16-week semester and the first day of the summer term. Contact Student Services to add/drop classes. Students enrolled at outreach centers should contact the outreach center coordinator.

Courses dropped during the first 12.5% of the semester are not entered on the student's permanent record. After 12.5% of a semester term has passed, the student may follow regular withdrawal procedures to drop any class up to the time that 75% of the term or semester is completed. Regardless of whether he/she was passing or failing at the time, a "W" (Withdrawal) will be entered upon his/her record. Any drop completed after 75% of a term has passed will result in a grade of "F". Students should refer to the current academic calendar to determine the exact date when classes may still be dropped with a grade of "W."

When the student withdraws from a class or from MAC, his or her record will show a "W," whether the student was passing or failing at the time. The withdrawal slip must be fully processed within the first 75% of the term.

#### **CIVIL RIGHTS GRIEVANCE PROCEDURE**

Students, employees and the public have the right to file a formal complaint alleging noncompliance with regulations outlined in Title VI of the 1964 Civil Rights Act, Title IX of the Educational Amendments of 1972, Age Discrimination Act of 1975, Section 504 of the Rehabilitation Act of 1973, and the Americans with Disabilities Act of 1990.

Students with a complaint of discrimination on the basis of gender, race, national origin, or disability may discuss the area of concern with a MAC instructor, employee, the dean of Student Services, the Access coordinator, the ADA coordinator, or the Title IX coordinators, Jean Merrill-Doss, (573) 518-2262, office AS115 and Jeff McCreary, (573) 518-2308, office T99. For a copy of the full text on MAC's Civil Rights Grievance Procedure, please contact the Student Services Office.

#### **COMPUTING GRADE POINT AVERAGE**

The grade point average for any period is obtained by dividing the total number of grade points earned by the total number of credit hours attempted during that period. Courses in which a student receives a grade of "P," "W," "AU" or "I" are not included in the grade point average.

The points per credit are assigned as follows:

A - 4 points per credit	F - 0 points per credit
B - 3 points per credit	AU - 0 points per credit
C - 2 points per credit	P - 0 points per credit
D - 1 point per credit	

An example for computing a semester's grade point average appears below:

Credit Hours Attempted	(times)	Grade	Points
3	X	B	9
3	X	C	6
5	X	A	20
2	X	B	6

41 divided by 13 = 3.15 GPA

## **COURSE GRADE APPEAL PROCEDURES**

Students with concerns about grades obtained as part of course requirements, class procedures, or teaching styles should first approach the individual instructors – whenever possible – for clarification or resolution. If concerns still exist or cannot be resolved, students should then contact the department chair, or, if at an off-campus site, the site director. All concerns about final course grades must be expressed by the end of the next, regular semester.

If the department chair or director is unable to remedy the situation, students may be referred to or may contact their respective dean. The dean will thoroughly investigate the matter and hear all sides before rendering a decision.

Due to FERPA restrictions, only concerns expressed by individual students will be considered. College employees may not legally discuss student academic or behavioral matters with parents, spouses, friends or classmates without signed releases from the students in question.

Students who believe they have inaccuracies in their official records (transcripts) must immediately notify the Registrar's Office. Transcripts are the final, accurate records of academic accomplishments.

## **COURSE LOAD**

The standard college unit is the measure of time and study of various courses. Referred to as credits, one credit represents one hour in class plus two hours of outside preparation, or some other combination totaling three hours of classroom and outside work. Therefore, a student carrying 15 credits per semester is working approximately 45 hours per week. In some courses, such as physical education, more hours of classroom attendance each week may be required for the one credit. In lab work, two hours equals one credit. The average course load is 15 semester hours.

## **COURSE REPETITION**

A student who received a grade of "C" or below in a given course may repeat the course to raise his/her grade point average as long as the course is still offered at MAC. When a course is repeated, the first grade remains on the transcript but only the latter grade will be counted for graduation or in computing grade points. Students may not repeat a lower level course that serves as a prerequisite for a course that was already completed by the student with a "C" or better. For example, if a student receives a grade of "C" in MAT1130 and subsequently completes MAT1230 in a following term with a grade of "C," the student is not allowed to repeat MAT1130 in a future semester.

## **DEAN'S LIST**

The Dean's List is an academic honor conferred only on the students who have accomplished an extraordinary level of academic achievement each semester. Students meeting the following requirements qualify for the Dean's List and, upon request, will receive an official letter from the college acknowledging their success:

- Academic workload of 12 semester hours or more for credit
- Grade point average of 3.25 or higher
- No grade below a "C" during the semester
- No "I" (incomplete) grades during the semester

## **DEGREE AND CERTIFICATE TIME LIMITS**

Students planning to earn a MAC certificate or degree need to meet requirements of the catalog in effect when first enrolled or of any subsequent catalog. Students who discontinue enrollment for two consecutive semesters, summer excluded, will be required to follow the catalog in effect upon their return to MAC.

## **ELECTRONIC USE POLICY - CLASSROOM**

In an effort to ensure that MAC can provide an effective learning environment and maintain its high level of academic integrity, there must be certain limitations placed on specific types of electronic devices inside MAC classrooms. At the same time, it is also understood that some instructors may require usage of these same devices. Students shall find information about allowed electronic devices in the instructors' course syllabi.

The following devices should not be in view or used inside the classroom without instructor approval:

- Cell phones;
- Tablets;
- Laptop computers;
- Mp3 players and other audio devices;
- PDAs;
- Personal gaming systems;
- Cameras;
- Camcorders;
- Audio recording devices;
- Any other electronic device deemed unnecessary by the instructor.

Penalties for any infraction may include:

- Dismissing a student from the room and/or counting such student absent or tardy for the class period;

- Deducting points from current assignments;
- Following procedures outlined in the Academic Integrity Policy (these actions would be subject to appeal in accordance with the policy);
- Requiring a student to discuss this behavior with his/her respective dean before returning to class;
- Dropping a student from the course as a result of multiple infractions.

Instructors may, but are in no way obligated to, make exceptions at their own discretion when

- Health-related or family circumstances exist and the student requests permission prior to a specific class period;
- Use of the device has educational value;
- A simultaneous MAC Alert is sent.

Students may appeal any decisions concerning the above policy by contacting the dean of students. Students may obtain information regarding the Student Due Process from the dean of students, the Student Planner, or on MAC's web page under General Information, Publications, Board Policy - Students.

## **EVENING AND SATURDAY CLASSES**

Any academic or career/technical course listed in the college catalog, as well as special courses, may be offered in the evening or on Saturday. However, only those courses will be scheduled for which there is adequate demand.

## **FINANCIAL AID**

MAC feels higher learning should be available to anyone who desires it and can benefit from the course work. Therefore, our fees are as low as possible. Financial aid options—scholarships, grants, loans, and part-time, on-campus and outreach center employment—are available to qualified students. Most awards are based on financial need; some scholarships have other eligibility requirements.

A student should apply for aid at least two to six months before the semester in which he/she plans to enroll at MAC. Late applications will be processed, but limited funds may adversely affect the amount of aid available for all programs except the Pell Grant. Additional information and application procedures are available online at [www.MineralArea.edu](http://www.MineralArea.edu). Arrangements for aid must be completed before registering for class work.

## **FRESHMAN-SOPHOMORE CLASSIFICATION**

Students at MAC are classified according to hours enrolled and hours completed. Part-time students carry fewer than 12 hours per semester while full-time students carry 12 or more credit hours. During the summer, full time student status requires six or more credit hours. A freshman is any student who has completed fewer than 30 credit hours; a sophomore has completed 30 credit hours or more.

## **GENERAL EDUCATION CORE FOR TRANSFER**

In accordance with college transfer guidelines established by the Coordinating Board for Higher Education, MAC will evaluate a student's transcript, upon request, to determine if general education requirements have been met. Upon a student's request, this will be noted in the student's record, which will facilitate transfer for the student who leaves MAC without an Associate of Arts degree. Interested students should contact the registrar.

## **GRADES**

Students may access transcripts and view mid-term and final grades via MyMAC, at [www.MineralArea.edu](http://www.MineralArea.edu). Grade reports are not mailed to students.

## **GRADING SYSTEM**

A student must be enrolled in a class in order to receive academic credit. MAC uses the following to award academic credit:

- A Superior work - the highest grade awarded
- B Above average work
- C Average work
- D Below average
- F Work done is undeserving of credit
- AU Audit
- I Incomplete
- P Passing
- W Withdrew from a course

College credit is valued in grade points as follows:

- A 4 Grade Points
- B 3 Grade Points
- C 2 Grade Points
- D 1 Grade Point
- F No Grade Points
- AU No Grade Points
- I No Grade Points
- P No Grade Points
- W No Grade Points

## **HONORS CLASSES/PROGRAM**

Honors options offered through regular classes are available for any student attending MAC who wishes to gain a deeper understanding of various subject matters by doing additional study or projects in these classes. Instructors determine whether or not they wish to offer an honors option in their classes. These honors options emphasize individuality, originality and cooperative learning. Students may be given chances to do critical readings, analytical writings, hands-on investigations or presentations.

To qualify for the honors option in a given class, a student must meet any one of the following criteria:

- have a high school or college GPA of 3.0 or above on a 4.0 scale (for students without previous college credit)
- have an ACT composite score of 21 or equivalent
- have a minimum reading score that places a student in a Comp I class

In order to successfully complete the Honors Program at MAC, receive the Honors medallion and be recognized at Commencement, a student must meet ALL of the following requirements:

- receive a 3.0 GPA in all college courses combined;
- complete at least 12 hours of honors credit;
- make no grade below a “B” in any honors course. A “C” or below will disqualify a student from the program;
- conduct an exit interview the semester of graduation with the honors director, the dean of Arts & Sciences.

For more information, contact the Arts & Sciences Division, (573) 518-2100.

## **IDENTIFICATION CARDS**

Your I.D. card is your admission ticket to college activities such as ball games and is necessary for checking out library materials or using student accounts in the Bookstore and cafeteria. Students have their I.D. photo taken when they enroll for the first time at MAC. A fee is charged for a replacement I.D. card. I.D.s are given in the Bookstore.

## **INCLEMENT WEATHER POLICY**

College officials urge students to use good judgment regarding driving conditions. If weather conditions deteriorate to warrant the cancellation of day classes, every effort will be made to notify the following by 7 a.m.:

KDBB (104.3 FM) – Park Hills  
KMOV TV Ch. 4 – St. Louis  
KFMO (1240 AM) – Park Hills  
KREI (800 AM) – Farmington  
KSGM (980 AM) – St. Genevieve  
KTJJ (98.5 FM) – Farmington  
KPWB (104.9 FM) – Fredericktown  
KFVS TV Ch. 12 – Cape Girardeau  
KSDK TV Ch. 5 – St. Louis  
[www.dailyjournalonline.com](http://www.dailyjournalonline.com)

If the message is: “*MAC is closed,*” it means day and evening classes are cancelled and all offices are closed.

If the message is: “*Classes at MAC are cancelled,*” it means classes are cancelled but offices are open.

If the message is: “*MAC will be operating on a late schedule due to inclement weather,*” this means the campus will open and classes will begin at 11 a.m. Offices are generally open at 8 a.m. There is no makeup for the cancelled classes unless this occurs more than two times within the semester.

Notification of dismissal for evening classes will be made to the media after 3 p.m.

Do not call the radio stations so that phone lines may be kept open for official calls from the college and area schools.

## **INCOMPLETE POLICY**

An instructor may assign an “Incomplete” grade when a student is doing passing work, and has not completed a small portion of the required course work by the end of the term. The instructor decides if there is an acceptable reason (for example, a serious illness) why the student cannot complete the required course work. The student and the instructor must file an incomplete grade request form for the course with the appropriate dean. The instructor will specify in detail, on the incomplete grade request form, requirements for completing the course to receive a grade.

The deadline for removing an incomplete grade is one year from the first day of the term in which the incomplete grade was recorded, unless a shorter period of time is specified by the instructor. If an incomplete grade is not cleared within the specified period of time, the incomplete will be converted to the grade of “F.”

## **LOST AND FOUND**

Lost items may be returned to, or retrieved from, the receptionist’s desk in the Student Services Office. Items are kept for one semester before being discarded.

## **MyMAC**

The student information system (MyMAC) is an efficient way for students to access information online about their academic records as well as information about the community college. MyMAC allows current and prospective students check the course catalog and semester course offerings. It provides a

convenient method for students to register and pay for classes and access academic and personal information, such as student schedules, transcripts, financial aid, and student billing.

MyMAC operates in a secure environment. Students must use their student identification number and password to access personal information. The student information system is accessed at my.mineralarea.edu.

## ORIENTATION

CARDS (College Advisement/Registration Day for Students) is an orientation program required for degree-seeking students who enter the college as a first-time freshman and for transfer students with fewer than 12 semester hours of earned credits. CARDS is held in the spring semester for new fall applicants. The program includes academic advising, registration, housing information, financial aid, billing, and student activities.

## OVERLOAD

The maximum course load for fall and spring semesters is 18 credit hours. The maximum course load for the summer is 9 credit hours. Students with a superior scholastic record may be permitted to register for more than the recommended maximum with the respective dean's approval.

## REFUND POLICY INFORMATION

Refunds for dropped courses or withdrawal from the college are based on the percentage of the term completed. Refunds vary depending on the length of the term for which a student is enrolled and is based on calendar days. A regular term is 16 weeks, however, some courses are offered in terms that are less than 16 weeks. The student billing system will automatically calculate the refund due based on the time of day a drop is processed.

The most common refunds for the fall and spring semesters are typically calculated utilizing the chart below. Please see the schedule booklet for exact dates.

Length of Term in Weeks	Semester Calendar Days Elapsed	Refund Due
16	1 through 7	100%
	8 through 13	75%
	14 through 20	50%
	21 through 27	25%
10	1 through 4	100%
	5 through 8	75%
	9 through 13	50%
	14 through 17	25%
8	1 through 3	100%
	4 through 7	75%
	8 through 10	50%
	11 through 13	25%
4	1 through 2	100%
	3 through 3	75%
	4 through 5	50%
	6 through 7	25%

## REGISTRATION

Students are encouraged to register early for classes. Students enrolled in the spring semester may enroll in March/early April for the summer and fall semesters. Students enrolled in the fall semester may enroll beginning in October/early November for the spring semester. More information is available online and in the schedule booklet.

## RETURN OF TITLE IV FUNDS POLICY

Students who receive federal student aid (i.e., Pell Grants, student loans, SEOG Grants, EXCEL SSS Grant) and who withdraw from classes either officially or unofficially by failing to attend or actively participate before the 60% point of any semester (see Administrative Withdrawal Policy on MyMAC or MineralArea.edu) will have a recalculation of their federal student aid eligibility based upon the date of withdrawal for official withdrawals and their last date of attendance/active participation for unofficial withdrawals. They may also owe a refund to MAC and/or Federal Student Aid Programs based upon this recalculation.

Students who receive federal student aid and who receive all F's or a combination of F's and W's at the end of the semester and the instructor(s) reports last day of attendance/lack of participation prior to the last day of the semester will have a recalculation of their federal student aid eligibility based upon the date of withdrawal for official withdrawals and their last date of attendance/active participation for unofficial withdrawals. They may also owe a refund to MAC and/or federal student aid programs based upon this recalculation.

MAC will repay any refund owed to the federal student aid programs due to a return of Title IV Funds Recalculation on behalf of the student. The student will owe MAC for this refund and will have a hold placed on their student account until this balance is paid in full.

### Examples of 60% Point for 2016-2017 Academic Year

**Regular 16 Week Term (Terms other than 16 Weeks will have different 60% points)**

**Fall 2016 – Oct. 25, 2016**  
**Spring 2017 – March 19, 2017**  
**Summer 2016 – July 9, 2017**

The official Policy in its entirety is available on MyMAC under the MyFinancial Aid Tab and MineralArea.edu under the Financial Aid Section.

## **RIGHT TO PRIVACY, OR DIRECTORY INFORMATION/PUBLIC INFORMATION**

In accordance with the Family Educational Rights and Privacy Act (FERPA), all students have the right to review their official college records, request amendment to these records, restrict their name from certain reports, file with the U.S. Department of Education appropriate FERPA complaints and obtain MAC's FERPA policy statement, available online.

Inquiries regarding the Act of 1974 should be directed to the Registrar's Office. Directory information includes: name, address, phone number, photo, date of birth, major or field of study, dates of attendance, full-time or part-time enrollment status, participation in officially-recognized activities and sports, weight and height of members of athletic teams, degree(s) or certificates awarded (including dates), awards received and last educational institution attended.

If issues of health and safety can be documented, campus community and law enforcement personnel may also be provided an individual photo. The college also releases lists of students who qualify for the Dean's List, as well as graduates to newspapers which cover the permanent address of record. Names and addresses of MAC graduates or candidates for graduation will be released to four-year institutions upon the institution's request.

If the student objects to the release of directory information, the student should complete a Request to Restrict Directory Information, form available online and in Student Services. The restriction can only be revoked by writing the registrar. Students are advised that the Social Security number is voluntarily disclosed to MAC and is maintained as confidential information.

## **SEXUAL HARASSMENT POLICY**

MAC is committed to a work setting and academic environment free from sexual harassment. This policy applies to all members of the college community, including employees, students and visitors. Sexual harassment is prohibited by Title VII of the Civil Rights Act of 1964, by Title IX of the Education Amendments of 1972, and by other state and federal discrimination laws. Violators shall be subject to disciplinary actions which may include, but are not limited to, written warning, demotion, transfer, suspension or dismissal.

Occasional compliments of a socially acceptable manner or statements or acts that are acceptable to all elements of society are not sexual harassment. What may constitute sexual harassment may differ from person to person.

For a copy of the complete policy and procedures, employees should contact the Human Resources Office, and students should contact the dean of Student Services, or refer to the MAC website.

## **SMOKING POLICY**

Effective August 1, 2015, MAC has a "Smoke-Free Campus" policy.

## **STUDENT ANNOUNCEMENTS/FACULTY ABSENCES**

Announcements of student activities, college policies, deadlines and other information important to students are printed each Monday morning and posted on bulletin boards in the Concourse Area, emailed to students and posted on the concourse video screen. Students should check these announcements on a regular basis. Notices of faculty absences are posted near the front desk of Student Services Office and at [www.MineralArea.edu](http://www.MineralArea.edu).

## **STUDENT CONDUCT AND DUE PROCESS**

MAC is dedicated to its pronounced philosophy and objectives. When these purposes are threatened by student misconduct, appropriate disciplinary action must be taken. College discipline will be exercised when student misconduct adversely affects the college's pursuit of its educational objectives.

Please contact the Office of the Dean of Student Services for a copy of the Student Conduct and Due Process Policies, which are also found on the MAC website.

## **STUDENT INFORMATION AND PROCEDURES**

The following are among the more common matters handled in the Student Services Office located on the first floor of the Technology Building:

- Admissions information
- Add or drop a course
- Withdrawal from school or a class
- Career information
- Discuss personal and study problems
- Veterans' benefits
- Financial aid
- Apply for College Work-Study Program
- Report change of name, address, or phone number
- Transcript requests
- Use of bulletin boards
- Student activities

- Student government
- Catalogs
- Special testing
- Lost and found
- Time and place of events
- Student body elections
- Change major or advisor
- Obtain information on student insurance
- Enrollment verification
- Voter registration forms

## STUDENT MESSAGES

Students should inform family members, friends and employers that student messages are not delivered on campus except in the case of extreme emergency. Arrangements for work, doctor appointments and other non-emergencies should be taken care of by the student before arriving on campus each day. Floral deliveries to students are discouraged, as classes may not be interrupted for deliveries and the receptionist is not expected to get messages to students.

## STUDENT RIGHT-TO-KNOW

**Certificate and Degree Completion Rate:** The following calculations of degree and certificate completers are based on the Fall 2012 cohort of first-time, full-time, degree-seeking students.

Fall 2012 first-time, full-time, degree-seeking students	817
Degree completers in 150% of time	237
Four yr. avg. graduation rate	28%
Four yr. avg. transfer out rate	17%
Total Compliance Rate	45%

Students may not complete a degree in 150% of the prescribed time for many reasons. Some who begin as full-time students may become part-time students; others may transfer out to other institutions. Some students may leave college for one or more semesters. A number of students are not counted because they had prior credit before enrolling. Please contact the dean of students at (573) 518-2262 for more information.

**Athlete Graduation/Transfer Rates:** The following information regards completion or graduation and transfer-out rates of full-time, first-time degree/certificate-seeking students receiving athletic-related student aid:

<b>Sport</b>	<b>Completion or Graduation Rate</b>	<b>Transfer-Out Rate</b>
Baseball	43%	43%
Basketball - Men's	60%	20%
Basketball – Women's	38%	25%
Other	56%	26%

## TRANSFER CREDIT

The registrar will determine credits accepted for transfer. Transfer credits will be accepted only from HLC-recognized institutions. The courses accepted by MAC are included in the grade point average. Transcripts from other institutions become statistics and part of the student's academic record. MAC cannot release transcripts (originals or copies) received from other educational institutions. The transfer credit policy is on the web.

## TRANSCRIPTS

Students desiring to transfer to other institutions are expected to submit an official transcript to the receiving institution. Due to the confidentiality of records, transcripts will be released only upon the student's written request. There is a charge for each transcript, payable at the time of the request. Faxed transcript requests have an additional charge. All holds on a student's record must be cleared before a transcript will be released to, or for, a student. Please allow two working days for processing. Additional time is required at the end of the semester. A transcript request form can be downloaded at [www.MineralArea.edu](http://www.MineralArea.edu) or requested online through MyMAC.

## UNIT OF CREDIT AND COURSELOAD

A credit hour/semester hour is earned by attending a non-laboratory class for 50 minutes a week in a regular semester (fall or spring). A three-credit hour class meets for three, 50-minute periods per week. One semester hour of credit is granted for two or three hours of laboratory work per week.

Fifteen to 16 semester hours are considered a normal academic load in a regular semester (fall or spring); however, 12 semester hours are defined as "full time." Students who wish to register for more than 18 credit hours (fall or spring) must obtain permission from the appropriate dean. The fall and spring semesters are approximately 16 weeks in length.

Six credit hours are considered full time (academically) during the summer.

Students should be aware that, on average, at least two hours of outside preparation are needed for each hour of scheduled classroom work. Therefore, students who enroll for 15 semester hours should plan to spend at least 30 hours per week for study outside of class.

## **VERIFICATION OF ENROLLMENT**

If you need verification of enrollment for the current semester, complete a verification request form available online and in Student Services. Verification cannot be completed until classes have been in session at least one week. Please allow two days processing time.

## **VETERAN'S SERVICES**

MAC is approved for certification of students eligible to receive education assistance from the Veteran's Administration. Students eligible to receive veteran's benefits must be enrolled in a program leading to a certificate, or associate degree. Additional information may be obtained by phone (573) 518-2133 or email [veterans@MineralArea.edu](mailto:veterans@MineralArea.edu).

For information regarding your eligibility to receive VA benefits, contact the Veteran's Administration at 1-888-442-4551 or visit the official website at [www.gibill.va.gov](http://www.gibill.va.gov).

## **VOTER REGISTRATION FORMS**

In September, Student Government hosts a voter registration day in conjunction with Constitution Day. Voter registration forms are available for all students enrolled. The voter registration forms are available on the Park Hills campus from the Student Services Office receptionist, the Bookstore, Access Office, the Student Government advisor, and at the Learning Resources Center. Voter registration forms are available from the campus director at outreach centers.

## **WHAT TUITION RATE DO YOU PAY?**

To receive the in-district rate, you or your parent (if you are a dependent) will be required to document residency within the college's taxing district.

The burden of proof of eligibility for in-district tuition rests solely with you. Presence within the taxing district for the past 12 consecutive months and proof of intent to make the taxing district a permanent home are the first criteria.

## **WITHDRAWAL POLICY**

When a student must stop attending all classes or withdraw from the only class in which he/she is enrolled, a Withdrawal/Exit Form must be submitted to Student Services for processing.

Courses dropped during the first 12.5% of the semester are not entered on the student's permanent record. After 12.5% of a semester or term has passed, the student may follow regular withdrawal procedures to drop any class up to the time that 75% of the term or semester is completed. Regardless of whether he/she was passing or failing at the time, a "W" (Withdrawal) will be entered upon his/her record. Any drop completed after 75% of a term has passed will result in a grade of "F". Students should refer to the current calendar of Important Dates available online to determine the exact date when classes may still be dropped with a grade of "W".

Students are expected to complete the courses for which they register. Failure to properly drop or withdraw from classes may result in the assignment of "F" grades for those classes, as well as a possible financial obligation.

To withdraw from the college the student must:

- Obtain and complete a Withdrawal/Exit Form
- Submit the form to Student Services for processing

The Business Office will issue any refund due to the student directly to the student's MAC Discover debit card.

When a student withdraws from a class or from college, his or her record will show a "W" whether the student was passing or failing at the time. The withdrawal slip must be fully processed within the first 75% of the term.

## **STUDENT CLUBS AND ORGANIZATIONS**

Student clubs and organizations offer a wide variety of opportunities and activities for students outside the classroom. Students are encouraged to participate in extracurricular activities for a well-rounded college experience.

### **ARCHERY CLUB**

The Archery Club is a chapter of the U.S. Collegiate Archery Organization that participates in indoor, outdoor, 3-D and competition shooting. All levels of archers are welcome and personal equipment is not necessary to join. Membership is open to all students on main campus who are enrolled in at least six semester hours. The Archery Club strives to help its members develop skills that will enhance them both personally and professionally.

### **ART CLUB**

Students working toward a major or minor in art are eligible for membership. The club encourages creating art, and strives to impress in the hearts and minds of its members and the public a more profound understanding of the meaning and nature of art. Students participate in art shows and other campus activities as well as take field trips to view work of other artists.

### **CHI ALPHA**

Chi Alpha is a widely-recognized student organization on most major universities in America. The purpose is to serve the needs of students by reaching out and communicating the value of leadership and living a healthy lifestyle that crosses all religious backgrounds and nationalities. These gatherings are informal, charged with music, given to humor and deal with everything from relationships to the nature of truth. The goals of these gatherings are to meet among friends and meet real needs. Membership is open to all denominations.

### **CHRISTIAN STUDENT UNION (CSU)**

CSU gives students opportunities for fellowship, Bible study, personal growth, and ministry to others. Membership is open to all denominations.

### **COZEAN LIBRARY BOOK CLUB**

The Cozean Library Book Club enriches the student body's knowledge of books and literature and promotes literary activities. Students will meet monthly and have discussions on the book the club has been reading. All students are welcome to join the discussion in person or online.

### **CULTURAL AWARENESS CLUB**

This club, open to all students, promotes interaction among students of different cultures and nationalities, encouraging students to broaden their perspectives by understanding and appreciating other languages and societies. The club explores foreign arts, traditions and observations during events throughout the year.

### **DELTA PSI OMEGA**

Delta Psi Omega is a dramatic fraternity, providing a national honor society for those exhibiting a high standard of work in theater. As MAC students and members of the community qualify, they are rewarded by election to membership in the society and initiated in formal ceremonies at the end of the spring semester.

### **GAMERS GUILD**

The guild brings together people who share an interest in gaming, and creates a social environment where students can network and share ideas. Members will participate in campus events and activities. Open to all students.

### **LITTLE THEATRE GUILD**

The guild produces 8-12 shows a year, with six main stage shows (two per semester). Three of the shows are musicals. A children's show tours local elementary students each semester. The guild provides quality entertainment while preparing students for four-year education or employment in the performing arts. Students and community members can audition for roles or pursue their interests in directing, designing sets, costuming or other work behind the scenes.

### **MAC FLIX CLUB**

This is a "fun" club for students who are interested in films from the past. The spring semester is devoted to organizing and presenting a Classic Film Series to the students and community in the MAC Theatre. These films are presented on the MAC Flix Club's large widescreen and the theatre's sound system in their original viewing format. The fall semester is dedicated to organizing and presenting the Classic Drive-In Movie Series. The movies are presented to the students/community on Friday and Saturday evenings outdoors in the MAC Quadrangle, using the MAC Flix Club's giant drive-in movie screen hung high amongst the trees.

### **MARKETING-MANAGEMENT CLUB**

The Marketing-Management Club lets students network with each other and visit with various firms and professionals. Members also may participate in MAC marketing activities. Membership is open to all.

### **MAC AMBASSADORS**

Ambassadors are chosen based on their outstanding personalities and academic performance to help faculty and staff with campus events and tours. Students who are chosen must maintain a 2.5 GPA and have good oral communication and leadership qualities. They are selected through an application process and receive an hourly compensation.

### **MO STATE ASSOCIATION of LICENSED PRACTICAL NURSES (MOSALPN)**

All groups within the Music Department perform an extensive amount of concerts, recitals, community functions, school functions, theatrical musicals (one each semester including summer), dances, recruiting tours, and professional jobs throughout the school year. Sometimes, these ensembles play concerts at music festivals in other states and countries, creating a more complete learning experience for the music student.

Every spring, MAC hosts an annual Jazz Festival, organized and managed by the department to bring in high school and middle school jazz bands, combos and vocal ensembles from Missouri and Illinois for competition. The Jazz Festival has grown to be one of the largest of its type in the Midwest. At festival's end, a final concert is presented by the MAC Jazz Ensemble and the MAC Kicks Band, featuring world-renowned jazz artists.

## **THEATER DEPARTMENT**

The Little Theatre Guild is the official producing theater organization on campus. Serving as both a training program for students and a cultural outlet for members of the greater community, shows are open to anyone wishing to participate in theatrical activities. It strives to bring entertainment, social opportunities, and a world view to audiences and those involved in the show.

The Guild produces a minimum of six shows on campus and Children's Theatre touring shows each year. Students and community members may direct, design, perform or work backstage on any of the shows based on their level of interest. The plays range from world classics to contemporary, comedy, drama and at least two musicals per season.

The Little Theatre Guild also sponsors summer workshops in performance for pre-middle school children, trips for college students to attend plays outside the area, and to participate in the annual American College Theatre Festival.

Every year the guild inducts worthy students into Delta Psi Omega, the national honor society for students of theater.

## **ATHLETICS DEPARTMENT**

Intercollegiate athletics are an integral part of campus life at MAC. The college has attained national and statewide recognition in men's basketball, baseball and golf, and women's basketball, softball and volleyball. Our athletic department has provided thousands of student-athletes the opportunity to continue their athletic careers both here and to four-year colleges and universities.

**CHEERLEADERS** Men and women are recruited during the spring to cheer for all men's basketball games, home and away, as well as for designated women's basketball home games. Cheerleaders practice during the summer and throughout the school year, and attend a collegiate cheer camp. They participate in cheer clinics, local parades, pep rallies, raffles and other various fund-raisers. The cheerleaders are also very involved in community service activities. Cheerleaders may receive the following: shoes, one-hour physical education credit and partial scholarships. All cheerleaders must be full-time students and maintain a minimum GPA of 2.0.

**MASCOT- KIRBY THE CARDINAL** MAC is proud of its mascot, Kirby the Cardinal. A student is recruited in the spring semester to wear Kirby's costume for the following school year. Kirby participates in many of MAC's activities, both on and off campus, including some of the home and away sporting events, summer camps and parades. The student chosen to portray Kirby will be awarded a scholarship. Kirby competed in the National Mascot Competition in Orlando, Fla., in 2013, and finished 3<sup>rd</sup> in the nation among all mascots.

**MEN'S BASKETBALL** The Cardinals basketball team has a storied history. The program highlights include 14 MCCAC Conference Championships, 5 Regional Championships, and 13 All-Americans. MAC plays a national schedule, and hosts multiple nationally ranked teams each year. The 2013 Cardinals won 27 wins, a conference championship, a Region 16 title, and competed in the NJCAA National Tournament for the first time since 1977. The 2015 Cardinals were ranked as high as 7<sup>th</sup> in the nation and they also won another MCCAC Conference Championship. The 2015 Men's Basketball team finished the year 27 games, as well as winning a Region 16 title, and earning another trip to the NJCAA National Tournament.

**MEN'S BASEBALL** The MAC Cardinal baseball teams have also enjoyed tremendous success in regional play and in placing athletes into four-year programs and the professional ranks. The mix of local talent along with nation-wide recruiting has given our program a competitive team on a yearly basis. Our

baseball team won 31 games in the 2011, 29 games in 2012, and 33 games in the 2013 season. The MCCAC Conference provides an excellent race every year as well. Scholarships are awarded.

**WOMEN'S BASKETBALL** With their Eight Conference Championships and five Sub-Regional Championships, the women's basketball program has displayed its prowess. They have had a great deal of success in the MCCAC Conference. Nationally, the Lady Cardinals recently finished second in the nation in free-throw percentage. The 2013 team was ranked as high as 13th nationally and finished the season with 21 victories. The 2014 Lady Cards team captured the MCCAC Conference Championship. The 2015 Women's Basketball team finished the year with a 25-6 record and a Region 16 Championship. Local athletes have been a major part of the structure of the team since its inception. The academic standards and graduation rate are very high. The women's basketball staff assists the athletes in finding best fits for them to continue their education and athletic careers. Scholarships are awarded.

**WOMEN'S VOLLEYBALL** The women's volleyball program is building a strong winning percentage and tradition. The team plays an excellent schedule and concentrates its recruiting on local athletes. The volleyball finished with a 35-7 record in 2011. They won a Region 16 title and finished the season with a 10th place finish at the NJCAA National Tournament in 2011. The 2013 Lady Cardinals team won the first ever conference volleyball championship at MAC, while also posting 26 victories. The 2014 Lady Cards finished the season with 29 wins and were ranked as high as 19<sup>th</sup> in the nation. Academics and sportsmanship are strongly emphasized within the program. Most graduating volleyball players are successfully placed in four-year institutions. Volleyball team members' GPAs traditionally rank high among scholarship students. Scholarships are awarded.

**WOMEN'S SOFTBALL** The Lady Cardinals play NJCAA Division 2 softball and the home field is the Farmington Sports Complex. Scholarships are available. The Lady Cards have won three Region 16 championships in their first three years of inception. The softball team has also won two district J titles, which has allowed them to play at the national tournament those two seasons. The Lady Cardinals had a 9th place finish in 2001.

**MEN'S GOLF** The Cardinals play NJCAA Division 2 golf and the home course is Crown Pointe. Scholarships are available. The men's golf team competed in Region 16 tournament their first year out. The 2014 MAC Golf team finished 12<sup>th</sup> place at the National Tournament and Tanner McKinney tied for 2<sup>nd</sup> place in the nation overall. The 2015 team placed 11<sup>th</sup> in the NJCAA National Tournament.
